### Holiday Season 2020

Eagle's Wings wishes you and your families a safe and blessed Thanksgiving and Christmas season!

So much has happened this special year of 2020: Covid, hurricanes, electrical melt-down, mask wearing, hand washing, social distancing... but one thing has remained strong and stable during all of the unrest: the good folks of Beaufort County have worked together to help each other stay healthy and have the means necessary to get through all of this year's difficulties.

Covid had Eagle's Wings cancel its primary fund-raiser; building repairs to both the electric system and our HVAC cost a "pretty penny" in order for us to continue to serve those who need food assistance. And yet, not one pantry day was cancelled in spite of whatever happened. We know that many of our seniors and disabled folks rely upon our pantries, so we change methods of operation whenever necessary to help meet the needs of those we serve.

Because of your kind support, Eagle's Wings expanded operations south of the Pamlico River over 3 years ago. The success of that operation has resulted in a new food pantry operating on its own in Blounts Creek. Our newest satellite operation is with a Hispanic community right here in the greater Washington area. We look forward to serving them in our network of clients.

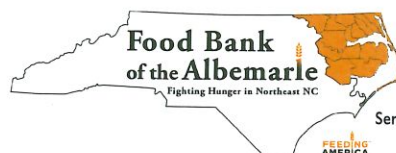

Reaching into the out-of-the-way places in Beaufort County takes time, energy... and yes, money. That is why we are again coming to you at this special time in a special year to first of all, thank you for all your past support; and second, to ask for your continued support. Feeding God's people is what we do. It is not fancy; it is not glamorous; it is just a fundamental daily need we all have for food. We act as God's hands in helping to take care of each other in this basic ministry, and as donors, you are partnering with us.

**Thank you** for your continued support of our people here in Beaufort County and Eagle's Wings!

Merry Christmas!
